

Chronological Knowledge

Know that the chronology of significant events in periods of history subsequently shaped different societies. Know that by comparing and contrasting the characteristics of each period, leads to an understanding about the impact of one period of time on another.

Historical enquiry

Know which source of evidence is most appropriate and evaluate its usefulness and accuracy in order to form opinions about historical events

Historical interpretation

Know that some evidence from the past is propaganda, opinion or misinformation and that this affects interpretations of history.

Know that there are reasons why there are different accounts of history.

Know that evidence is evaluated to determine which is the most reliable source.

Range and depth of historical knowledge

Know that past great events had an impact on people's lives and shaped society, and that evidence is used to support or refute the explanation
