Wednesday 1st October

Dear Parents/Carers,

We are having our harvest festival in school on Thursday 9th October.

If you would like to send any tins or packets of food that you can spare on the morning of our festival we would appreciate it.

Please give it to your child and we will sort it inside school. If it is too big you could drop it in at the office first thing. Please only give what you can spare, if that is nothing that's ok.

The food will be given to the Trussel Trust food bank, which helps people out in times of need.

We unfortunately do not have room for our parents to attend. But we will post the pictures on our facebook. A representative from the church will be leading the service and the children will be singing our harvest songs.

Also an update that the children are getting very excited about! In an attempt to encourage even better attendance the classes are starting to work together to spell out the word ATTENDANCE. So each day that all the children attend and where none of them are late they will earn a letter. When they have spelt out the word they will receive an extra playtime as a reward. We are trying to encourage all children to attend every day and with no lates so they do not miss any of their learning. We do understand that from time to time children get poorly but we are asking you to think about whether they can just have a go. Sometimes calpol does wonders and when they see their friends they feel better.

Don't forget that all school dates are on the school website in the calendar.

Thank you

Mrs Yardley
