

THANK YOU

It was great to visit your child's school recently and deliver some exciting skateboarding or scootering sessions.

We hope they enjoyed it as much as us and for those that are interested in continuing with either of these sports, we have some exclusive offers available just for the school.

Who knows maybe we'll be watching them in the Olympics in the future!

SPECIAL OFFERS

Here are just a few of the exclusive offers available to families of the school. To see all the products, colour options and sizes...
