Dear parents/carers,

We are embarking on an interesting art project with Michelle Reader, the artist who made the sculpture outside the Welbeck Garden Centre.

For 4 consecutive Wednesdays Michelle will be working with parents and children from the foundation 2 class. (we still have room if you would like to come join in Foundation 2 parents!)

We'll be working to create a structure for the forest school area. If you have any interesting used materials around your house or garden that you think might be good for building a structure, forming a window, or weaving into a wall then please donate to school. For example, a bicycle wheel, a hula hoop, broken venetian blinds, an old chair, a walking stick.... Or waterproof colourful fabric that will transmit light, such as a broken umbrella or an old tent. Or even any old planks of wood, building materials which can be outside.

Once built all the children will have access to the shelter we will be building so please have a look in your gardens, homes and sheds and have a good clear out. Please bring to the office by Monday 4th March.

Thank you,
Mrs Yardley and Miss Law.
