

Families at Church Vale
Primary are invited to
attend a Special
after school nature walk
3.15pm – 4.30pm on 20th June
The eve of the Summer Solstice!

Have Fun Together Discover Together Walk Together

The walk will be led by Andy Hollis, a local nature expert.
Meet at Church Vale Primary School, in the school playing field.

Connect to the beautiful English wildflowers and wildlife that can be seen in June and July. Children who feel connected with nature are happier — and more likely to befriend, help, and share.

Just turn up for 3.15pm on the day!
