Dear Parents / Carers

We are pleased to share with you your child's report. We hope you are happy with the progress your child has made during this year. We are enormously proud of all of our children and staff and how hard they have all worked. I hope you are too.

If there is anything you don't understand or would like to discuss on the report, please fill in the feedback form and your teacher will telephone you with an appointment for a chat.

Please use the feedback form, we always read comments, and we really do want to listen to your suggestions. If you feel there are things that could be improved, please let us know and we will make changes where possible.

Your child will be meeting their new team on Wednesday 16th July for class swaps. Please see the chart below to find out where everyone is going to be next year.

If you want an appointment to see your child's teacher then indicate on the form, the evening will be the 14th of July. However, we will always see you, or call you if that evening is not suitable.
